

Are you looking to expand your product offering in Canada or need a new source of supply?

UK Trade & Investment (UKTI) Canada work with UK-based businesses to ensure their success in international markets through exports. We provide a free service to help Canadian companies identify the best British services, technologies, and products to boost your business. With offices in five cities and combined experience of over 100 years, UKTI is your expert resource for trade between the UK and Canada.

Opportunities posted with UKTI are distributed to targeted suppliers through channels including:

- UKTI Exporting is GREAT Platform
- Government social media channels
- UK colleagues and sector experts
- UK business associations

If you are looking for a specific product or service, UKTI can help you to source the best the UK has to offer. For further information please provide your information below and we will follow up with you shortly.
